## CONTRACT DISCOUNTS

Discounts are offered to an advertiser who does all of the following three things:

1. Agrees to run more than one ad;
2. Agrees to run \$500+ worth of advertising within a specified time frame not to exceed one year;
3. Signs a contract specifying the amount of advertising before the discounted advertising begins.

TOTAL AD VALUE	DISCOUNT
\$500-\$999	10%
\$1000-\$2499	15%
\$2500-\$4999	20%
\$5000-\$9999	25%
\$10,000+	30%

Advertising placed in any issue of The Current or its sister publication, The Splash, counts toward contract fulfillment. Ad value is measured prior to discount (i.e., a \$100 ad for which you paid \$75 after discount counts as \$100 toward achieving your contract amount.)

## SPECIAL PRICING

**Churches and non-profits:** Documented non-profit organizations and churches receive a 30 percent discount.

**Advertising agencies:** Commissions are available to approved advertising agencies. Contact The Current for details.

**Premium placements:** Ads placed on pages 2, 3, the back cover and inside back cover have special pricing entered into by agreement. The open rate prices for special requests on other pages is 10 percent higher than a standard ad. All premium placement requests are subject to approval and availability. For more information on premium placement ads, see reverse.

## INSERTS

Flyers, coupon sheets, menus or other preprints may be inserted into The Current at a rate of \$85 per 1,000 (less than direct mail). 10,000 inserts is considered a full run, though runs as small as 1,000 are accepted. Inserts must be no larger than 12.25 inches by 10.5 inches (can be folded). Inserts that alter the shipping cost due to weight will be assessed additional charges. Some preprinted items insert better than others. Inserts must be received well in advance of planned insertion. Contact The Current for deadlines or with questions.

## TERMS AND CONDITIONS

1. The deadline to guarantee inclusion of an ad in The Current is 5 p.m. on the 15th of the month for the following month's issue. 2. Our publications strive to be family friendly. As such, the content of any ad is subject to review by the publisher. Any ad may be deemed inappropriate at the publisher's discretion and thereby will not run. Ads with content that is suggestive, risqué, manipulative, deceptive or promotes themes, products or services that are not "family-friendly" in the eyes of the publisher are among the types of ads that will not run in our publications. Businesses that cater mainly to adults are asked to keep this in mind when choosing how to present content for an ad in our publications. 3. Advertisers who desire significant design revisions or one-on-one time with a Current designer will be charged \$75/hour for design time (1/2-hour minimum). 4. Advertisers who do not achieve the discount level they signed up for will be billed for the difference between the discount they were billed and the discount they actually achieved. Advertisers who fulfill their contract early are encouraged to start a new contract at a greater discount level. 5. Accounts more than 60 days past due will have all discounts, contracts or special rates forfeited and will be rebilled at the open rate. Accounts more than 90 days past due that have not reached a mutual agreement with The Current for payment will be turned over to a collections agency. 6. Rates subject to change at any time.
