

What you need to know about your Splash ad

All ads in The Splash come with full color and full design services. We want to work with you to fine-tune your message for maximum impact once it arrives in Liberty Lake homes.

About **8,000** copies of The Splash are distributed around the end of each month, 5,520 of those through direct mail to every home and business in the greater Liberty Lake community. The remaining copies are hand-delivered to approximately 140 businesses, waiting rooms and gathering places in Liberty Lake, Otis Orchards and Greenacres.

Advertising agencies: Commissions are available to approved advertising agencies. Contact The Splash for details.

INSERTS

Flyers, coupon sheets, menus or other preprints may be inserted into The Splash at a rate of \$85 per 1,000 (cheaper than direct mail). 8,000 inserts is considered a full run, though runs as small as 1,000 are accepted. Inserts must be no larger than 12.25 inches by 10.5 inches (can be folded). Inserts that alter the shipping cost due to weight will be assessed additional charges. Some preprinted items insert better than others. Inserts must be received well in advance of planned insertion. Contact The Splash for deadlines or with questions.

CONTRACT DISCOUNTS

Discounts are offered to an advertiser who does all of the following three things:

1. Agrees to run more than one ad;
2. Agrees to run \$500+ worth of advertising within a specified time frame not to exceed one year;
3. Signs a contract specifying the amount of advertising before the discounted advertising begins.

TOTAL AD VALUE	DISCOUNT
\$500-\$999	10%
\$1000-\$2499	15%
\$2500-\$4999	20%
\$5000-\$9999	25%
\$10,000+	30%

Advertising placed in any issue of The Splash or its sister publication, The Current, counts toward contract fulfillment. Ad value is measured prior to discount (i.e., a \$100 ad for which you paid \$75 after discount counts as \$100 toward achieving your contract amount).

TERMS AND CONDITIONS

1. The deadline to guarantee inclusion of an ad in The Splash is 5 p.m. on the 15th of the month for the following month's issue. 2. Our publications strive to be family friendly. As such, the content of any ad is subject to review by the publisher. Any ad may be deemed inappropriate at the publisher's discretion and thereby will not run. Ads with content that is suggestive, risqué, manipulative, deceptive or promotes themes, products or services that are not "family-friendly" in the eyes of the publisher are among the types of ads that will not run in our publications. Businesses that cater mainly to adults are asked to keep this in mind when choosing how to present content for an ad in our publications. 3. Advertisers who desire significant design revisions or one-on-one time with a Splash designer will be charged \$75/hour for design time (1/2-hour minimum). 4. If it is learned at the conclusion of a contract that an advertiser purchased enough advertising to qualify for a higher discount level than originally signed up for, the savings that would have been realized over the course of the year at the higher discount level will be credited to the advertiser's account for future Splash advertising. Conversely, advertisers who do not achieve the discount level they signed up for will be billed for the difference between the discount they were billed and the discount they actually achieved. 5. Accounts more than 60 days past due will have all discounts, contracts or special rates forfeited and will be rebilled at the open rate. Accounts more than 90 days past due that have not reached a mutual agreement with The Splash for payment will be turned over to a collections agency.
